

Best-Selling New Book About Van Halen's David Lee Roth ("DLR Book") Offers New Info About The Rock Legend

Award-Winning Podcaster, Host & Investigator Darren Paltrowitz Spoke To 100+ People For This New Book

LONG BEACH, NEW YORK, USA, January 16, 2024 /EINPresswire.com/ -- INTERVIEWS & REVIEW COPIES NOW AVAILABLE:

“

Everything you've ever wanted to know about what it is like to work with the frontman of the century”

Dennis Hill, producer and Face To Face guitarist

What do you do after leaving one of the world's biggest bands? If you are [David Lee Roth](#), you write a memoir, become a radio host, sell a screenplay to a major studio, get certified as an EMT, play Vegas, become a certified helicopter pilot, put out bluegrass versions of your biggest hits, and learn a few languages. And then you rejoin [Van Halen](#) for a reunion tour.

Encompassing the highs and lows of a truly unusual career, "DLR Book" -- which hit #1 on multiple Amazon charts the week of January 1, 2024 -- is an intimate look at the force of nature that is David Lee Roth, from his start with Van Halen to his highly publicized departure from the band and his triumphant return. Drawing on nearly one hundred exclusive interviews, author Darren Paltrowitz delves into Diamond Dave's many extracurricular activities, including his unclassifiable video series The Roth Show, the rise and fall of his syndicated radio program, and his line of tattoo skincare products. Included are conversations with some of Roth's most popular collaborators (among them Steve Vai, Billy Sheehan, Gregg Bissonette, Travis Tritt, John 5, and Korn's Ray Luzier) and contributions from figures influenced by Roth, including Jason Aldean, Billy Corgan, Butch Vig, and legendary sumo wrestler Konishiki.

Filled with photographs never published in book form—including exclusive photography from Lit bassist Kevin Baldes—and an introduction by WWE Hall of Fame inductee Diamond Dallas Page, "DLR Book" is not just the first book about Roth to be published in several decades. It is also a front-row seat to one of the wildest and most unpredictable artists of all time.
