eLeaP's My Reports: Training Analytics for Greater Efficiency, Enhanced Productivity, and Improved Regulatory Compliance

eLeaP launches 'My Reports,' revolutionizing training analytics for enhanced decision-making. Tailor insights, automate reporting, and boost efficiency.

LOUISVILLE, KENTUCKY, UNITED STATES, January 17, 2024 /EINPresswire.com/ -- eLeaP, a leading provider of innovative learning management solutions is proud to announce the launch of its latest solution, 'My Reports.' This revolutionary feature takes a problem-solving approach, enabling organizations to enhance training analytics and derive actionable insights for more effective decision-making.

Key Features of 'My Reports':

> "This is really good. We have to send a report on individual courses each week or month to individual stakeholders. This will completely automate that! That's amazing!"
> *Rich Underwood, Quanticate*

* Comprehensive Reporting Options: With four distinct report types - Course completions, Course non-completions, Upcoming non-completions, and Learning Path completions - users can tailor their analytics to meet specific training and regulatory compliance needs.

* Customization Capabilities: Opt to generate reports for all or specific courses and set date ranges for greater analysis precision.

* Immediate Reports: Receive real-time insights using the date range feature without scheduling. One can receive reports via email or directly download them from the system.

* Scheduled Reports: Proactively track and manage training progress by setting up daily, weekly,

or monthly dispatches with flexible delivery day options. Ideal for proactive tracking and management of training progress.

* Email Notifications: Users receive prompt email notifications with a direct link to download their reports, ensuring a seamless and efficient user experience.
