DUBAI, UAE, January 17, 2024 /EINPresswire.com/ -- Dubai was recently crowned No. 1 global destination in the Tripadvisor Travellers' Choice Awards for third consecutive year, and many expatriates are now choosing to make Dubai their home on a more permanent basis. In recent years, expats have been moving from the more central Downtown Dubai and [Dubai Marina](#) neighborhoods, in search of more suburban living offered by communities such as Dubai Hills and Arabian Ranches.

Renowned property developer, LIV developers recently launched Waterside, an all-purpose community in the heart of Dubai Marina, featuring villas and townhouses, as well as the trademark duplexes and apartments that decorate the Dubai Marina Skyline.

[Waterside Dubai](#) Marina is sure to be a prestigious community, where luxury and exclusivity are paramount. Manned with 24-hour security, residents can enjoy peace of mind as they enter into their private sanctuary. LIV developers describe Waterside community as a tranquil oasis, providing a serene and secure environment for all residents.
