Other lead cast members besides Joe Sabatino include [Bishop Stevens](#) as "Roman Roberts," [Mike Ferguson](#) as "Duke Martin," Debra Lamb (<https://www.imdb.com/name/nm0482941/>) as "Shotgun," and Laura Van Yck (<https://www.imdb.com/name/nm9810139/>) as "Ivory." The company said it would announce the other actors that will be on set for this initial screen test next week.

The company said it will invite local media and businesses to attend and meet the stars. "This is a prelude to our

opening up of our sets to let couples, families, and corporate teams observe the filmmaking process," commented Mark Weis, one of the Executive Producers who will be present for the event. "We plan to allow local media and businesses to view the filming process, just like we

intend to do when the actual filming starts in the spring," Mr. Weis added.

The company also said that it has reserved six other roles in the film for its "Get Discovered" contest, which is already in process. It mentioned that it has nearly 400 audition candidates for those six roles. Beginning in February, movie-going fans can vote on their favorite candidates for these six roles. There are two roles for child vampires, two roles for adult vampires, and two supporting roles. "We also have a Family Adventure raffle at our Indiegogo pre-launch page," added Joe DiDonato, the other Executive Producer for the trilogy. "The winner of that raffle can choose to take their family behind-the-scenes like we're doing with local media and invited businesses, or elect to be in the first film of the trilogy, 'Vampire Penance: The Atonement of John Wolf,'" he went on to say. "Vampire Penance: The Atonement of John Wolf" opens with the crucifixion of Jesus Christ and jumps to 1985 Sharon, PA, USA.

A 10-year-old girl wakes to a nightmare, her room invaded by unseen forces. Meanwhile, Killian, a Scottish vampire hunter, searches for vampire havens. He meets Ivory, a captivating vampire, in a bar that soon turns into a vampire slaughterhouse.

Killian's confrontation leads to the bar's destruction. Under Nile, an ancient vampire's descendant, the surviving vampires plot human dominion.

Tormented by his past, John Wolf meets Ivory, entering a world where reality and the supernatural merge, uncovering dark secrets.

Talent Notes: This is for "Copy, Credit, Meals, Lodging." There will also be a "set-aside" from the film's proceeds for cast and crew.
