What Readers are Saying:

"Amid ideologies that have taken many of God's people captive, John Gayaldo, in the way of William Stringfellow, combines the parable of his life and the wisdom of the book of James to rip through false and deceptive narratives to give us a clarion call to Lose Trump and Find Jesus. This prophetic call needs to be heeded if we hope to witness to the One who gave up his life so that we might give our lives to help others live. It's time for the body of Christ in this day to follow the faithful witnesses of Karl Barth and Dietrich Bonhoeffer in their day. If you wish to say "Yes" to Jesus, you must give an emphatic "No" to Trump. The integrity of our witness requires us to resist the Powers and stand in solitude with those whom the Powers seek to dehumanize."
