leading provider of facility maintenance services for the preschool industry, is proud to announce the launch of its Dedicated Authorized Service Provider Program. This program aims to provide our valued clients with peace of mind by offering high quality facility maintenance service providers who have undergone rigorous background checks.

The Dedicated Authorized Service Provider Program is an initiative designed to ensure the safety and well-being of children during maintenance services. At PreSchoolPros, we understand that parents and guardians prioritize the safety of their children above all else.
