

Real Estate Conveyancing Solution Appara Announces Integration with Stewart Title (Canada)

Real estate legal professionals in British Columbia can now order title insurance directly from within the Appara Platform.

VANCOUVER, BRITISH COLUMBIA, CANADA, January 24, 2024

/EINPresswire.com/ -- [Appara](#), Canada's leading legal entity management, workflow automation, and document automation platform, is proud to announce a new integration with title insurance provider [Stewart Title](#). With this integration, Appara and Stewart Title make it possible for real estate conveyancers and legal professionals in British Columbia to order title insurance policies directly from within the Appara Platform.

Appara's real estate conveyancing software, [Appara Real Estate](#), now integrates with Stewart Title's NextSTEPS application to make ordering residential title insurance fast, easy, and simple. Appara users can order title insurance through Stewart Title and review property closing documents all from within the Appara Platform.

The screenshot displays the Appara platform's 'Title Searches' interface. It includes a search bar with fields for 'Title Number' and 'PID', a 'Verify' button, and a 'Search' button. Below the search bar is a table with the following data:

About Appara

Appara: The all-in-one ecosystem for modern legal professionals.

As practicing lawyers, our founders were frustrated with the outdated, inflexible, and siloed technology available, and they were tired of repeating work in multiple places.

What our founders needed was a platform with built-in AI that could auto-generate documents and help us streamline our processes. But the solution we wanted didn't exist. So we built it, and we called it Appara.

Appara is a document automation, workflow automation, and entity management Platform for legal professionals. Appara's suite of Solutions enables legal professionals in the corporate, estate planning, and real estate sectors to save time, reduce errors, cut costs, and increase productivity.
