CHARLOTTE, NORTH CAROLINA,
UNITED STATES, January 24, 2024
/EINPresswire.com/ --

[PVCFittingsOnline.com](https://www.pvcfittingsonline.com), a leading provider of high-quality PVC fittings, piping, and accessories, is thrilled to announce the expansion of its product line to cater to the growing needs of

customers in the pool and spa industry. With a commitment to innovation and customer satisfaction, PVCFittingsOnline.com has introduced an array of new products designed to enhance the efficiency and durability of pool and spa installations and services.

As the demand for top-tier pool and spa products continues to rise, PVCFittingsOnline.com remains dedicated to being a one-stop-shop for homeowners and professionals. Those products include name brand flow visible valves, flow diverters, pleated cartridge filters and more.

"We are excited to expand our product line to better serve our existing customer base as well as our new customers," said Mark Ligon, Marketing Manager at PVCFittingsOnline.com. "Our goal is to make product purchasing for pool contractors more seamless so they don't have to visit multiple suppliers to get what they need. We get a lot of requests for these products and we're finally able to deliver them!"

By incorporating these new products into their offering, PVCFittingsOnline.com aims to make it easier for customers to source all their pool and spa project needs from a single trusted supplier. Whether a professional contractor or a DIY enthusiast, PVCFittingsOnline.com is committed to delivering the highest quality products and exceptional customer service.
