About Ahipoki:

The Ahipoki concept was born out of the desire of a restaurant group wanting to bring a much-

needed health-conscious California inspired seafood restaurant with a south pacific flair to its customers. Health-conscious poke bowl lovers can sit down and relax in a laid-back atmosphere all while enjoying the fusion of Japanese and Hawaiian flavors coupled with a fresh fish experience normally found outside of a quick serve restaurant.

“

We're thrilled to bring our passion for poke to the Sylmar community. We believe in serving delicious food that brings people together, and we look forward to meeting more neighbors.”
