

Texas Arena League Announces Highly Anticipated 2024 Dates & Locations for Fast-Paced & Hard-Hitting Arena Polo Events

The Circuit Includes Six Separate Pitstops For Hockey On Horseback Around The Lone Star State Through March

DALLAS, TEXAS, USA, January 22, 2024 /EINPresswire.com/ -- Not only is the new year a chance to reflect and regroup, but it's a chance to get involved with something new and what better way to achieve that resolution early than with the [Texas Arena League](#) (TAL) announcing its highly anticipated 2024 event schedule that will make six separate stops around The Lone Star State through March.

Now in its seventh year, TAL brings [arena polo](#) to the next level, both in competition and fanfare as the thrill of fast-paced and hard-hitting sports and the majesty and elegance of equestrian animals come together for an event like no other. Coining the term "Hockey on Horseback," players use their mounts to move an opponent away from the ball and use the rebound walls to play angles and pass to their teammates. It's fast, it's physical and reaction times are quick. Teams are made up of three pairs of human and equine players, while games are played over four periods or chukkers; lasting seven and a half minutes each, including time in between to change mounts and a half time to smooth the arena. This year's event lineup is among the best and most expansive yet as there is not only the addition of a new location (San Antonio Rose Palace) but there will be two United States Polo Association (USPA) National tournaments and several USPA circuit events played during 2024 Texas Arena League including National Arena Delegate's Cup, Arena General George S. Patton Jr. Tournament, National Arena Bronze Cup and other USPA armed forces and arena tournaments.

"When it comes to arena polo, there is nothing quite like what you get in the Texas Arena League as it combines all the best elements of the sport with a fun and engaging fan experience, which

results in one of the most electric and dynamic spectacles the state has to offer," said Megan Flynn, a TAL committee member and manager. "As arena polo continues to gain in popularity, we are proud to offer a program that puts the brightest rising school-level talent on the same stage as our national team that continues to garner national and global attention. Whether you're looking for a new hobby or can't get enough of equine sports, you don't want to miss these Texas Arena League events that are fun for the whole family."

Here's where and when you can catch hockey on horseback in real-time starting in 2024:

Jan 26-28

“

Texas Arena League combines all the best elements of the sport of arena polo with a fun and engaging fan experience, resulting in one of the most electric & dynamic spectacles the state has to offer.”
