From the Author:

In a heartfelt statement, Rita Di Tuccio shares her inspiration for creating this culinary masterpiece: "I decided to write this cookbook because I realized from a young age that I was very fortunate to have grown up with two amazing home cooks—my mother and father. They hail from two different continents and countries, exposing me to different flavors, both Italian and Pakistani. I've drawn inspiration from these diverse influences in my own home cooking. This cookbook is the first of a trilogy series, aiming to create a legacy that never forgets its roots, its diversity, uniqueness, and, above all, the love that brought this fusion union together. Love is at the heart of it all, from one kitchen to another, from me to you."

Availability:

"Italiani: Seafood Edition" is available for purchase on popular platforms, including Amazon, Barnes & Noble, and more on 30 January 2024.
