

Minnesota Mesothelioma Victims Center Appeals to the Family of a Plumber who has Just Been Diagnosed with Mesothelioma In Minneapolis to Call Attorney Erik Karst About Financial Compensation-It Might Be Millions

MINNEAPOLIS-SAINT PAUL, MINNESOTA, USA, January 23, 2024 /EINPresswire.com/ --

According to the Minnesota Mesothelioma Victims Center, "If you are a plumber who has just been diagnosed with mesothelioma in Minneapolis-Saint Paul or anywhere else in Minnesota or their family please take compensation very seriously and call attorney Erik Karst of the law firm of Karst von Oiste at 866-714-6466. Most plumbers who develop mesothelioma will under estimate the potential value of their compensation claim because they have probably forgotten how much asbestos exposure they actually had as attorney Erik Karst is always happy to discuss.

"A plumber in Minnesota might have had as much exposure to asbestos as a shipyard worker in some instances. In Minnesota plumbers not only repair broken pipes-which may have involved asbestos exposure when dealing with wall insulation--they also had to replace plumbing pumps that might have contained asbestos, they probably repaired boilers that might have contained-or been insulated with asbestos. and they probably repaired furnaces that probably contained asbestos.

"The reason we endorsed attorney Erik Karst of Karst von Oiste to help a person with mesothelioma in Minnesota is because he knows what he is doing, he gets superior compensation results for his clients, and he cares. Before a person with mesothelioma in Minnesota hires a lawyer to assist with compensation-please call attorney Erik Karst at 866-714-6466. Do not roll the dice on compensation." www.karstvoniste.com/

The Minnesota Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Minnesota to please call them at 866-714-6466 about compensation. A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.

The Minnesota Mesothelioma Victims Center is a passionate advocate for people with mesothelioma in Minneapolis, Saint Paul, Rochester, Duluth, Bloomington, Brooklyn Park, Plymouth, Saint Cloud or anywhere else in Minnesota.
