About Vibrant Occasions: Chef Serge Krikorian and his wife, Mary Krikorian, started their catering business in 2002 and have been in the family restaurant business since 1994. Having catered thousands of events over the years as Dinner's Ready, they launched Vibrant Occasions Catering, a new name that more accurately depicts the level of food and service provided at weddings and social events. Krikorian was born in Lebanon and moved to the United States with his family as an adult entering college. He now hails from the quaint town of Benton, Arkansas. His southern hospitality paired with his penchant for developing unique international fusion-style recipes, especially sauces, has garnered his reputation as foodies' fan favorite in his community and now

on the Youtube space for his cooking show, Cooking with the Kriks.

After years of dreaming about owning a mobile kitchen, in December 2020, Serge and Mary launched Our Mobile Kitchen with the intention of providing fresh, 5-star quality chef-prepared cuisine to patrons visiting where the mobile kitchen is parked or on site for catered weddings and social, private or corporate events. Krikorian is an alumnus of Henderson State University where he studied business earning his Bachelor's Degree and met his wife, Mary. He earned his MBA from the University of Arkansas at Fayetteville. Serge became a restaurant entrepreneur when he purchased an old, run-down pizza parlor he and Mary revived called Sergio's Pizza. After a few years, they knew the restaurant business was not for them. Mary booked their first official catering gig, much to Serge's surprise. They began receiving more and more requests for catering luncheons and events. The catering business took over after six months and they never looked back. They have three sons who often work in the business around their academic and career schedules, making their enterprise a family-built business. Follow on Instagram: @vibrantoccasionscatering.
