Sofema Online Revolutionizes Aviation Training with Post-Examination Course Access

SOFIA, BULGARIA, January 24, 2024 /EINPresswire.com/ -- Sofema Online www.sofemaonline.com, a leader in EASA-compliant online aviation training, has announced a groundbreaking upgrade to its educational model - [Post-Examination Course Access](#). The latest initiative allows students to access course materials even after completing their examinations, a move that significantly enhances learning retention and professional development in the aviation industry.

Enhanced Learning Retention and Flexibility

“

The decision to offer post-examination access to course materials reflects the unwavering commitment to the professional growth of our learners.”

Steve Bentley FRAeS/CEO of Sofema Group of Companies

Central to this new policy is the improvement of learning retention, countering the traditional "learning decay" post-examination. Learners can revisit and reinforce knowledge at their own pace, which is crucial in an industry where precision is paramount. The platform's flexibility caters to diverse learning styles, allowing professionals to balance education with demanding job roles.

Comprehensive and Accessible Learning Resources

With over [330 courses](#), Sofema Online possess a rich

catalogue that is now more accessible than ever. This accessibility benefits both new and experienced aviation professionals.

Benefits for Individuals and Corporate Clients

This enhancement is advantageous for both individual learners and corporate clients. It ensures employees have continuous resources for skill development while individuals receive a more personalised educational experience.
