"We stand behind our mission to serve our local communities by providing financial solutions and guidance for every stage of life," says Brian Albrecht, President/CEO. "Our number one priority is our members; we are here for them."

Their values resonate with every interaction: empowering, enhancing, educating, and exciting members about their financial decisions. The Credit Union continues to honor its roots by supporting school organizations and educational causes along with non-profits in the communities they serve.

The Best of Georgia Award is more than an award; it's a reflection of the Credit Union of Georgia's unwavering dedication to their members and their community.
