

Team Combat League Announces Co-Sponsorship of MDWerks' Subsidiary Two Trees Beverages in New Multi-Year Agreement

NEW YORK, NY, UNITED STATES, January 29, 2024

/EINPresswire.com/ -- [Team Combat League](#) (TCL), the nation's first and only boxing league with a team-based ownership model, has agreed to an exciting co-sponsorship agreement with [MDWerks, Inc.](#) ("MDWerks" or the "Company") a forward-thinking company leading the charge in the world of sustainable technology. MDWerks' subsidiary, [Two Trees Beverages](#), a leading innovation in the beverage industry, will play a pivotal role in promoting the company's acclaimed spirits brands, including Two Trees® and Tim Smith Spirits®, through logo placements on mats, signs, banners, and uniform patches during TCL telecasts. Additionally, the distinguished Sustainably Matured™ whiskeys will be available for sale at select TCL events.

TCL's President Dewey Cooper noted, "Team Combat League is fortunate to gain an excellent co-sponsor like Two Trees Beverages, which is known for impeccable quality, innovation, and environmental responsibility in crafting its award-winning fine spirits brands. We anticipate a long and mutually beneficial relationship with the Two Trees team.

"Both TCL and MDWerks are progressing through the early stages of their development and have identified extended pathways for growth. While TCL advances an exciting new sport format, MDWerks is disrupting the spirits industry, among other sectors, with a novel energy wave technology platform that promotes environmental sustainability, innovation, and efficiency. This co-sponsorship is an excellent opportunity for MDWerks to leverage TCL's expanding profile to introduce our brands to a wider consumer audience as well as our technology platform to potential new business partners. MDWerks is thrilled to have Two Trees join TCL for what is sure to be an entertaining second season."

Steven Laker, CEO of MDWerks, commented, "Two Trees is delighted to co-sponsor Team

Combat League as it embarks on its second season in March 2024. We believe this alignment provides exposure to both Two Trees as well as Tim Smith Spirits branded products across a large demographic of viewers within the rapidly growing team sports arena. In the US, spectators already have gravitated quickly to TCL's unique team boxing concept during its inaugural season."

About Team Combat League

Team Combat League matches feature 24 three-minute rounds of non stop action. Competitors compete in one round matches and are categorized into eight weight classes, consisting of six male weight classes 126lbs., 135lbs., 147lbs., 160lbs., 175lbs., and 201lbs.+ and two female weight classes, 126lbs., and 147lbs. Sixteen fighters or two fighters per weight class per team appear in each match. Each match is broken up into three periods. The first 8 rounds are the Launch Rounds, rounds 9-16 are the Middle Rounds and rounds 17-24 are the Money Rounds.

TCL employs an exclusive point scoring system, and each round is scored individually. Judging is carried out by a panel of three judges which are licensed by a State Athletic Boxing Commission. A round is scored 10-9 for the winner of a decision based on points. If a knockdown occurs, the scoring is 10-8, and in the case of two knockdowns or a stoppage, the round is scored a 10-7. The scoring process is straightforward: all the individual round scores are added up and the team with the highest total score at the end of all 24 rounds wins!
