

Greenup Industries is Honored with the Prestigious Gold Safety Award by Highwire

Greenup Industries, a leading provider of industrial construction and maintenance services, has been honored with the prestigious Gold Safety Award by Highwire.

BATON ROUGE, LOUISIANA , UNITED STATES, March 1, 2024
/EINPresswire.com/ -- [Greenup Industries](#), a leading provider of industrial construction and maintenance services, has been honored with the prestigious [Gold Safety Award by Highwire](#), a global leader in contractor risk mitigation. The Gold Safety Award is presented to companies registering a safety score of 85-95% in the Safety Assessment Program.

Rodney Greenup, President of Greenup Industries was awarded the prestigious Gold Safety Award by Highwire, a global leader in contractor risk mitigation.

The Gold Safety Award recognizes Greenup Industries' commitment to safety and its efforts to maintain a safe work environment for its employees, contractors, and customers. The company has implemented rigorous safety protocols and training programs to ensure compliance with industry safety standards and regulations.

“

We are honored to receive the Gold Safety Award from Highwire, which underscores our commitment to safety and excellence.”

Rodney Greenup, president of Greenup Industries

In addition to its focus on safety, Greenup Industries has also leveraged the power of Highwire to mitigate contractor risk, streamline operations, and improve project outcomes. Highwire's innovative technology platform has enabled the company to manage its contractor risk more effectively, reduce costs, and improve overall project performance.

"We are honored to receive the Gold Safety Award from Highwire, which underscores our commitment to safety and excellence," said Rodney Greenup, President of Greenup Industries. "We are also proud to partner with Highwire, whose technology platform has helped us to improve our operations and deliver better outcomes for our customers."

Greenup Industries' Gold Safety Award and its use of Highwire's technology platform are a testament to the company's commitment to safety, quality, and innovation. As a trusted provider of industrial construction and maintenance services, Greenup Industries is well-positioned to continue delivering exceptional value to its customers and driving growth in the industry.

Greenup Industries provides a full range of onboarding solutions, maintenance and design services, and specialty construction services to our diverse set of clients. "We offer effective onboarding, reduced costs, accountability, and consistent vetting of vendors," Greenup said. Greenup Industries has clocked over 500,000 safe work man-hours and is the recipient of [several awards for safety](#), including the Gold Medal Award, presented by Shell/Norco, the Contractor Safety Award, presented by CAST, and the Safety Excellence Award, presented by Gulf South Safety Council.
