"Our vision for Koosh Living is to redefine what it means to live in affordable luxury. We understand that people want more than just a place to live; they want a place to call home. Koosh Living is our response to this need," said Guy Levintin, CFO and Co-CEO of BSD Capital. COO and Co-CEO of BSD Capital, Sharon Sharaby, stated "Koosh Living is our commitment to making affordable luxury a reality for all, creating communities that inspire and thrive."

Koosh Living properties offer high-quality living spaces at prices that are inline with the community they're developed within so residents can enjoy luxurious amenities without the hefty price tag. Koosh Living is committed to fostering a sense of community among its residents, so amenities like co-working spaces, community centers, fitness centers are all part of the Koosh Living experience.

In addition to the modern design of the buildings and individual units, BSD Capital's commitment to sustainability is reflected in every Koosh Living property including energy-efficient appliances and eco-friendly building processes.

BSD Capital's track record of success and its dedication to innovation make Koosh Living a brand to watch in the residential rental market. The launch of Koosh Living marks a significant milestone for BSD Capital as it expands its portfolio and continues to set industry standards.
