

Dentistry for Midtown Enhances Dental Implant Services with the Expertise of Dr. Michael Crossley

ATLANTA, GEORGIA, UNITED STATES, January 26, 2024 /EINPresswire.com/ -- [Dentistry for Midtown](#) is proud to announce that Dr. Michael Crossley has joined forces with Dr. Laura Koch to offer comprehensive [dental implant restorations in Atlanta, GA](#). This expansion of services emphasizes the practice's dedication to providing all phases of implant dentistry under one roof.

Dentistry for Midtown distinguishes itself with a concierge style of customer service and a unique capability to manage all aspects of implant cases from start to finish in-house. This holistic approach ensures continuity of care and personalized service that sets the practice apart in the field of dentistry.

Dr. Michael Crossley brings to the practice a wealth of experience in general and cosmetic dentistry, complementing the skill set of Dr. Laura Koch, DMD. Together, they offer a full range of specialized [dental implant restorations](#), including the placement of implant-supported bridges, crowns, and abutments utilizing advanced Nobel dental implant technology.

"Our mission at Dentistry for Midtown is to provide our patients with exceptional dental care and a seamless experience from consultation to post-restoration," said Dr. Laura Koch. "Dr. Crossley's expertise in dental implantology and his commitment to continuing education make him an invaluable addition to our team."

Dr. Crossley's extensive background includes positions as an assistant professor of surgical dentistry and clinical director at prestigious institutions, as well as significant contributions to dental research in oral molecular biology. His approach to patient care is grounded in evidence-based practice and a deep understanding of the latest advancements in dental implantology.

Patients visiting Dentistry for Midtown can expect a thorough consultation process, personalized treatment planning, and meticulous care throughout their dental implant journey. The practice's focus on post-restoration care is designed to ensure the longevity and health of the implant, as well as the patient's overall oral health.

Dr. Laura Koch, with over 30 years of experience in dentistry, has continued to evolve the practice by incorporating services like Invisalign, earning the title of Platinum Provider. The

addition of Dr. Crossley's implant expertise is a testament to the practice's commitment to growth and excellence in dental care.

About Dentistry for Midtown

Established as a cornerstone of dental health in Midtown Atlanta, Dentistry for Midtown has provided over 40 years of dedicated service to the community. Specializing in cosmetic and aesthetic dentistry, the practice, under the stewardship of Dr. Laura Koch, DMD, offers an extensive range of dental services. The team's commitment to comprehensive and expert care is manifested in their adoption of a modern approach and an unwavering commitment to the pursuit of dental excellence.

Joining this tradition of excellence is Michael A. Crossley, DDS, an esteemed general and cosmetic dentist. Dr. Crossley's impressive background includes extensive training in oral surgery in Australia and the UK, and a significant tenure as Clinical Director at Pacific Smiles Group. His move to the U.S. saw him enhance his expertise through an international training program and externships at notable institutions across the country.

Dr. Crossley's academic contributions, especially in oral surgery and periodontics, are complemented by his role as an educator, shaping future generations of dentists. His research pursuits in oral molecular biology underscore his dedication to evidence-based practice.

Now partnering with Dr. Koch, Dr. Crossley brings his considerable skill set to Dentistry for Midtown, contributing to the practice's legacy of quality care. He is a proud member of prestigious dental associations and a proponent of ongoing education in the latest dental advancements.
