

Cleva North America, Inc. Unveils Upgraded Line of Vacmaster Professional® Wet/Dry Vacuums

Cleva North America, Inc., a leading innovator in premium cleaning solutions, announces the release of its upgraded line of professional wet/dry vacuums.

GREENVILLE, SC, UNITED STATES, January 29, 2024 /EINPresswire.com/ -- Cleva North America, Inc., a leading innovator in premium cleaning solutions, is thrilled to announce the release of its upgraded line of professional wet/dry vacuums. Known for setting standards with high-performance motors, robust construction, and top-of-the-line features, Vacmaster's award-winning professional vacs just got even better. The latest upgrades, designed to revolutionize the way consumers clean, mark a significant milestone. Two of the six wet/dry vacuums are available now for purchase on [Vacmaster.com](https://www.vacmaster.com) with the rest scheduled to become available over the next few months.

The new and improved Vacmaster Professional® wet/dry vacuums redefine cleaning convenience and efficiency, setting them apart as essential tools for professionals and homeowners alike. "We are excited to introduce our enhanced line of Vacmaster Professional wet/dry vacuums to the market", said Alain

Duque, President at Clevea North America, Inc. "These upgrades are the result of listening to our customers' feedback and our dedication to providing the best cleaning tools available. We are confident that users will experience superior performance and unmatched convenience with the new improvements".

Key Upgrades:

1. **SecureLock™ Accessories:** The introduction of SecureLock™ locking accessories ensures an ultra-secure fit, guaranteeing tools stay attached even in the toughest cleaning conditions. This game-changing feature enhances user experience and boosts productivity.
2. **Oversized Latches:** New oversized locking latches provide a more secure seal, reinforcing the durability and reliability of Vacmaster Professional® wet/dry vacuums. Users can trust these vacs to withstand demanding cleaning tasks.

The [Vacmaster Professional® 6-Gallon 4 Peak HP Wet/Dry Vac](#) with 7 accessories, including SecureLock™ locking nozzles and premium kink-resistant hose, is available now for only \$69.99.

3. **High-Efficiency Filter:** Each vacuum comes equipped with a high-efficiency cartridge filter, offering superior protection to the motor, and extending the vacuum's operational life. The Beast Series™ vacuums now include a high-efficiency dust bag for an added layer of protection, plus the benefit of easy clean-up. This added feature underscores Vacmaster's commitment to quality and longevity.
4. **More Cleaning Reach:** Experience the freedom of extended cleaning reach with up to 29 feet when combining the premium kink-resistant hose and cord. Effortlessly reach every corner of the room without the hassle of repositioning the vacuum. This upgrade ensures a more comprehensive and efficient cleaning process.

Tackle tough messes around the home and jobsite with the [Vacmaster Professional® Beast Series™ 5-Gallon 6 Peak HP Wet/Dry Vac](#), with 27-feet of cleaning reach and high-efficiency filtration. This high-performing, compact vac is available now for only \$109.99.

Vacmaster® has a long-standing reputation for excellence in the wet/dry vac industry. The upgraded line represents a commitment to continuous improvement and innovation, making them the preferred choice for professionals and homeowners seeking powerful and reliable cleaning solutions.
