

Catalina Behavioral Health Expands Mental Health and Addiction Treatment for Court-Ordered Rehab Clients in Arizona

Catalina Behavioral Health Announces Expanded Programs for Court-Ordered Rehab, Reinforcing Commitment to Holistic Mental Health and Addiction Treatment in AZ.

TUCSON, ARIZONA, UNITED STATES, January 30, 2024 /EINPresswire.com/ -- In a groundbreaking move, Catalina Behavioral Health, a distinguished Joint Commission-accredited behavioral health treatment center, has announced a significant expansion of its mental health and addiction treatment services tailored specifically for court-ordered rehab clients in the state of Arizona.

Court ordered rehab clients enjoy support and improved outcomes at Catalina Behavioral Health

Meeting the Demand for Specialized Rehabilitation

Catalina Behavioral Health recognizes the growing need for specialized care within the legal framework. The expansion aims to address the unique challenges faced by [individuals mandated by the court to undergo rehabilitation](#), providing them with evidence-based and trauma-informed treatments.

Unparalleled Trauma-Informed Care

The heart of Catalina Behavioral Health's approach lies in its commitment to evidence-based practices and trauma-informed care. By integrating these methodologies, the center creates an environment conducive to holistic healing, ensuring a comprehensive and lasting recovery for its clients.

Tailored Solutions for Lasting Recovery Outcomes

Unlike traditional rehabilitation programs, Catalina Behavioral Health has curated a specialized curriculum to meet [the distinctive needs of court-ordered rehab clients for mental health](#) as well as substance use disorder. Each aspect of the treatment process is meticulously designed to address the complexities associated with legal mandates while fostering a supportive atmosphere for rehabilitation.

A Joint Commission Accreditation
Ensures Quality

As a testament to its unwavering commitment to excellence, Catalina Behavioral Health proudly holds accreditation from the prestigious Joint Commission.

For court ordered mental health clients, Catalina offers evidence based treatment programs

“

Our goal is to provide a safe and supportive environment where individuals can receive the help they need to overcome their mental health and addiction challenges”

*A spokesperson for Catalina
Behavioral Health*

"We are thrilled to expand our accredited treatment services to court-ordered clients in Tucson and beyond," commented a spokesperson for Catalina Behavioral Health. "We understand that seeking treatment can be a difficult and overwhelming process, especially when it is mandated by the court. Our goal is to provide a safe and supportive environment where individuals can receive the help they need to overcome their mental health and addiction challenges and successfully complete their court order."
