New Destinations: Croatia and Greece

MedGulets is now taking its guests to two new beautiful locales: Croatia and Greece. Both countries are famous for their blue seas and iconic views. In Croatia, MedGulets will show its guests everything from the famous sights of Dubrovnik and Mljet to the lesser known pleasures of uninhabited islands and other hidden gems. In Greece, the trips can include everything, whether guests wish to party in Mykonos, experience the grandeur of the Parthenon, or simply kick back on a tranquil beach in a quiet Cycladic village.

The company has picked these new destinations to better serve their seafaring clients. The packages for both Croatia and Greece will have the same high quality that MedGulets is known for in Turkey. They promise safe, fun, and well-planned trips for everyone, whether they're traveling alone, with friends, with family, as well as corporate retreats.

Looking Forward - What This Means for MedGulets

With these new routes in Croatia and Greece, MedGulets is not just reaching new destinations but also reaching a wider range of potential clientele. As MedGulets continues to set the standard among yacht charters in the Mediterranean, they hope to connect with more travelers and potentially expand to other regions as well.

Founder Murat Danisan says, "We're excited about what the future holds. Expanding to Croatia and Greece is just the beginning. We plan to keep growing and to keep making our trips exceptional. We want MedGulets to be the first choice for anyone looking to experience an unforgettable adventure on the seas."

As MedGulets adds more routes to its repertoire, they also hope to expand the number of vessels in their fleet. This expansion is a big step for the company, and they are ready to welcome new and old customers on these exciting journeys with a host of top-of-the line vessels.
