

Architecting a Data-Driven Future: Scott Ambler Leads Agile Data Warehousing Workshop at WWDVC 2024

DVA announces pre-conference Agile Data Warehousing Workshop led by Agile Pioneer and Visionary Scott Ambler for Conference Attendees as an Add-On Option

STOWE, VERMONT, UNITED STATES, January 29, 2024 /EINPresswire.com/ -- Embark on a transformative journey in the world of data at WWDVC 2024! We are thrilled to announce an exclusive opportunity for conference attendees—a 2-day [Agile Data Warehousing](#) Workshop led by the eminent Agile Data Strategist, Scott Ambler. This add-on event, designed to enhance your WWDVC 2024 experience, delves into the disciplined hybrid methods of agile data strategies. □□

Agile Data Warehousing:
A Disciplined Hybrid
Method Workshop

2 Day Workshop with
SCOTT AMBLER

APRIL 27 & 28, 2024
9:00 AM – 5:00 PM

Stowe, VT

REGISTER TODAY

The graphic features a dark blue background with a white circular portrait of Scott Ambler. Text is arranged in white and light blue. There are four white circles in the top right and bottom right corners of the graphic area.

"Please note that this workshop is an add-on and requires a valid conference ticket for participation. Seize this chance to revolutionize your approach to data solutions with Scott Ambler's expert guidance.", noted a DVA spokesperson.

Agile Data Warehousing Workshop Details:

Mark your calendars for April 27 & 28, 2024, as Scott Ambler unfolds the intricacies of Agile Data Warehousing at the picturesque StoweFlake Resort and Spa. This exclusive 2-day workshop, taking place from 9 a.m. to 5 p.m. daily, offers a deep dive into a disciplined hybrid method that combines agile, lean, and traditional approaches.

Early Bird Advantage:

Act swiftly and secure your spot before February 15, 2024, to enjoy the Early Bird price of

\$495.00 per seat. After this date, the regular discounted price is \$595.00 per seat, offering substantial savings from the standard rate of approximately \$1195.00 per seat.

Comprehensive Learning Experience: "Scott Ambler's workshop is a unique opportunity for data professionals to grasp a proven approach to building and evolving [Data Warehouse solutions](#). The agile, lean, and disciplined techniques explored cover the entire lifecycle of agile Data Warehousing. As an added perk, breakfast, lunch, and coffee will be served daily, included with your workshop ticket purchase.", the DVA spokesperson added.

Note:

To make the most of this enriching experience, please be aware that Scott Ambler's workshop requires a minimum of 8 paid attendees. In the event that we do not reach this threshold, the workshop will be canceled, and any purchased tickets will be fully refunded, minus any applicable processing fees.

“

Scott Ambler's workshop is already discounted heavily and as an attendee you'll already be there. It's about Agile and Data Warehousing making attending it a no brainer decision.”

Sanjay Pande, DVA

"Also, remember that a conference ticket is a prerequisite for workshop attendance.", added the DVA spokesperson.

Stay tuned for more updates and secure your seat in this invaluable Agile Data Warehousing journey!

Welcome to the 10th Annual World Wide Data Vault Consortium (WWDVC) 2024:
