Mr. Victoria Sinclair giving a speech on stage

Vivida Capital Limited is dedicated to exploring global business investment opportunities, offering investors a diversified portfolio through venture capital, resource sharing, entrepreneurial incubation, private equity investment, and auction activities. With over US\$7 billion in managed assets, Vivida Capital has delivered substantial investment returns to its members.

Beyond business investments, Vivida prioritizes social responsibility, actively promoting public welfare through charity donations and material contributions. To date, the company has donated over US\$30 million, focusing on environmental protection, community development, disaster area construction, and humanistic care.

In a significant announcement during the event, Vivida Capital revealed the formal implementation of global investment strategies and the registration and establishment of Vivida Capital Co., Ltd. This strategic move aims to expand investment areas and partner networks, presenting more opportunities and benefits to global investors.

The industry has taken notice of Vivida Capital's successful transformation and global development plans. The company's commitment to openness, innovation, and cooperation positions it as a key player in the global business investment field. As Vivida Capital continues to expand and strengthen its cooperation, the story of this brand is poised for continued success.

Investors and partners associated with Vivida Capital are eager to witness the business's future development. Vivida Capital remains dedicated to upholding the spirit of openness, innovation, and cooperation, promising more exciting investment opportunities for its stakeholders.
