

Staffing Slingers Partners with GigFlex to Deliver Geo-Intelligent Hospitality Staffing Solution

Geo-Intelligent scheduling revolutionizes the way staffing agencies and event management businesses manage their resources and optimally serve their customers

DALLAS, TEXAS, USA, May 8, 2024 /EINPresswire.com/ -- [GigFlex](#) LLC, the industry leader in GeoIntelligent Scheduling® technology, announced today a contract with Staffing Slingers a leader in hospitality staffing in California's Greater Coachella Valley.

With StaffWorks we will be able to provide the industry's most powerful flexible & responsive staffing solution to our customers and workers while optimizing administrative efficiency at the same time"

Debi Roemmich, Staffing Slingers

Under this contract GigFlex will provide Staffing Slingers with its comprehensive StaffWorks™ Suite which includes an advanced operations dashboard that enables Slinger and its clients to easily fill staffing needs, track worker hours and on-site timeliness & location compliance. Additionally, GigFlex will provide Slinger workers across a wide range of industries including customer service, janitorial, bar service and food service workers with an intelligent mobile app that enables them to proactively view and accept work opportunities, easily check in/check

out and effectively manage their breaks.

With StaffWorks, Staffing Slingers will be able to provide the industry's most powerful flexible and responsive staffing solution to our customers and workers while optimizing administrative efficiency at the same time" said Debi Roemmich, Client Services Manager, Slinger Staffing.

"We are thrilled to partner with Staffing Slingers" said Larry Schwartz, CEO of GigFlex LLC. "This agreement re-enforces GigFlex's leadership in Event Staffing and the ability of our patented [Geo-Intelligent scheduling](#) technology revolutionize the way staffing agencies and event management businesses manage their resources and optimally serve their customers."
