Washington DC - [LADO International Institute](#), a distinguished institution in English as a Second Language (ESL) education based in Washington DC, is delighted to announce its significant participation in two major international events: the ICEF Online Fair, scheduled from January 29th to 31st, and the Japan-Korea Roadshow 2024, taking place between February 27th and 29th.

With over 45 years of experience, LADO International Institute offers high-quality English programs tailored to the unique needs and goals of each student. Accredited by SEVIS, the U.S. Immigration and Customs Enforcement Agency under the Department of Homeland Security, LADO enables students to obtain their Form I-20, a crucial document for Embassy interviews, facilitating the application for the F-1 Visa to enter the United States with student status.

To streamline this process, LADO has an International Admissions Department that guides prospective students through the document processing journey on a personalized basis. The department is responsible for:

- Advising students on F-1 Visa requirements and steps.
