

Trader Magazine portal announces the 2024 competition for the Best Online Broker

As a response to the steady growth in online trading industry, the Trader Magazine portal announces the 2024 competition for the Best Online Broker.

PRAGUE, CZECH REPUBLIC, January 30, 2024 /EINPresswire.com/ -- At the beginning of February 2024, [Trader Magazine](#) launches a competition that aims to find and award the best broker for the online trading. Ten nominated brokers were selected due to their success during the Trader Magazine's rich history of competitions in which the traders voted for their champions. The decision is made by the traders themselves, who choose their favorite broker.

Navigating the multitude of brokers and platforms can be a daunting task especially when the volume traded is projected to grow in high rates. According to the Statista, the projected yearly growth (CAGR) in online trading market is 6.4% up to 2026, estimating volume of \$11.56 for 2024.* In the field of stock trading and investment applications the CAGR projection is even 19% through 2032, according to Invezz.com, so \$24.1 billion of the market in 2022 shall reach \$126 billion by 2032.**

Be part of the amazing era of the financial world revolutionary transformation and participate in the "[Trader Magazine's Best Online Broker 2024](#)".
