

Bisk and University of Missouri–St. Louis to Offer Workforce Development Programs Through the Bisk Amplified™ Platform

Collaboration enhances the skillset and career progression opportunities for today's professionals

TAMPA, FLORIDA, UNITED STATES, January 30, 2024 /EINPresswire.com/ -- Bisk, a pioneer in online and corporate education, announced a new partnership with the [University of Missouri–St. Louis](#) (UMSL). This

strategic collaboration will provide working professionals access to UMSL's industry-relevant educational offerings through [Bisk Amplified™](#), the innovative platform which enables organizations to align their upskilling goals and foster individual and company growth.

Together, Bisk and UMSL will tackle workforce development needs in the St. Louis region, providing access to UMSL's renowned academic programs. Their initiative is to create pathways for individuals to elevate their skills, ensuring they stay competitive and adaptable with the unique characteristics and demands of the region.

"Investing in the upskilling of the St. Louis community is a crucial endeavor that establishes the groundwork for long-term economic prosperity and resilience," said Bisk Vice President of Workforce and Education Dr. Jennifer King. "Through the Bisk Amplified™ platform, we provide cutting-edge programs to equip professionals to adeptly navigate the professional landscape."

United by a shared mission of empowerment and community development, Bisk and UMSL envision a future where professionals, equipped with industry-aligned education, are prepared for leadership roles and thrive in the dynamic modern workforce. Bisk Amplified™ emerges as a strategic solution, enabling organizations to leverage their corporate benefits for the advancement of their organizations and people.

"UMSL is thrilled to join hands with Bisk in redefining the way professionals access higher education," UMSL Vice Chancellor for Strategic Enrollment and Career Advancement Reggie Hill said. "Together, we are dedicated to enabling working individuals to acquire the skills and

knowledge necessary to drive innovation and make a positive impact within their communities.”
