significant savings on a skincare essential that combines effortless application with a skin-reviving formula, all while being paraben free.

Effortless Application - Skin-Reviving Formula - Paraben-Free The Restorative Under Eye Gel

Patches from The Lashe<sup>®</sup> are a must-have for beauty professionals and enthusiasts alike. Specifically designed to hold down lower lashes during lash extensions, these

patches go beyond their primary purpose. Infused with a skin-reviving formula comprising Vitamin E, Aloe, Green Tea Extract, Collagen, and Botanicals, they simultaneously soothe, calm, and reduce redness and puffiness.

## Features:

Provides maximum restorative treatment in less than 30 minutes.

Hydro-gel ensures the patch remains neat with no removal of gel.

Firms and hydrates while reducing puffiness and discoloration under the eye.

Designed for continuous penetration of active ingredients to increase skin elasticity.

Ideal for all skin types; collagen is not derived from fish oils, making it safe for those with shellfish allergies.

[The only paraben-free patches on the market](#), with no harsh preservatives used.

"These Restorative Under Eye Gel Patches are a game-changer for both beauty professionals and their clients. The combination of effortless application, skin-reviving ingredients, and paraben-free formulation sets The Lashe<sup>®</sup> apart in the market," said Nicole Flevaris, President at The Lashe<sup>®</sup>.
