"More Than March" is a Black & Bling Bash hosted by over 30 Chicagoland leading Let's Talk Womxn restaurateurs and entrepreneurs on Friday, March 1, 2024.

CHICAGO, IL, USA, January 31, 2024

/EINPresswire.com/ -- Kick off the proverbial Women's History Month with the 4th Annual Let's Talk Womxn Chicago celebration, this year titled "More Than March." This Black & Bling Bash is hosted by over 30 Chicagoland leading Let's Talk Womxn LetsTalWomxn.com restaurateurs and entrepreneurs on Friday, March 1, at Moe's Cantina at 155 West Kinzie Street in River North from 4:00 pm to 8:00 pm, with additional Let's Talk Womxn celebrations happening nationwide throughout March. This event celebrates Chicago's women's food and beverage industry owners while emphasizing that the month of March is insufficient for womankind. Women represent half the voice, half the vote, half the workforce, and the entire propagation of humankind. All women and male allies are invited to attend and celebrate this action movement.

More Than March is Chicago's woman-power celebration of the year, blending unabashed social and cerebral facets. The US is fundamentally behind every advanced country on equality and opportunities for women and is regressing rapidly in many aspects. Leading Chicago women, including Let's Talk Womxn founder Rohini Dey, Ph.D., will soap-box on parity, power, and global models to learn from. The celebration will offer tasting stations and diva cocktails by 30+ leading Let's Talk Womxn Chicago restaurateurs, guest speakers, a high-energy female DJ, a drag show,

ABOUT LET'S TALK WOMXN (LTW):

LTW is a lauded 100% volunteer-based action movement to boost the businesses of women-owned restaurateurs and food and beverage entrepreneurs. It is a unique model of collaboration by competitors. By eschewing elitism and being open to all, allocating all revenue to its members, zero overheads, zero bureaucracy, all-year learning, and real-world support, LTW is the antithesis of most conventional associations and foundations. It defies the model of women's leadership panels, conferences, and lunches that abound, especially in March. Founded in Chicago by Rohini Dey, Ph.D., in 2020, Dey has expanded it to 15 cities across the US and Canada with 900+ women owners. LTW is nourished by Co-Hosts in each city: Chicago, Seattle, Boston, Atlanta, Phoenix, Philadelphia, Greater NY, Cincinnati, Kentucky, Miami, Minneapolis, Houston, Milwaukee, and Columbus. Everything LTW does by its female owners is to collaboratively combine strength, counsel, business learnings, generate revenue, and visibility for each other's businesses. LTW is open to all women owners in food and drink to build strength in

numbers and lift each other to scale. See the credo on LetsTalkWomxn.com
