

Skyler Severns Has Joined 1 & Fund as Chief Technology Officer

Developing and improving technologies to assist contractors

OSHKOSH, WISCONSIN, UNITED STATES, January 31, 2024

/EINPresswire.com/ -- 1 & Fund welcomes Skyler Severns as its Chief Technology Officer. Skyler's experience and background in tech will help 1 & Fund adapt the systems its contractor customers need to [increase leads, contracts, and sales](#).

1 & Fund Logo

For the past 8 years, Skyler has been an advocate for the Excess & Surplus (E & S) insurance industry. As the Chief Technology Officer for Dark Matter InsurTech LLC, and an active participant in the Wholesale & Specialty Insurance Association's InsurTech committee, Skyler was able to design innovative solutions to address the challenges faced by MGAs and Surplus Lines Carriers.

“

We are excited to welcome Skyler to the position of Chief Technology Officer. He fills an important role that will help take 1 & Fund to the next level.”

Justin Hatcher, President of 1 & Fund

Prior to working in the E & S insurance space, Skyler was a Solution Architect designing and implementing massive grid computing solutions for the retail, transportation, and finance industries.

“We are excited to welcome Skyler to the position of Chief Technology Officer,” stated Justin Hatcher, President of 1 & Fund. “He fills an important role that will help take 1 & Fund to the next level.”

About 1 & Fund
