ABB Formula E 2022 season will see the introduction of a new powertrain technology, the ABB FIA Formula E Gen3 EV. The new powertrain will be a 100% electric powertrain, which will allow the cars to drive for a longer period of time. The new powertrain will also be more efficient, which will allow the cars to drive for a longer period of time. The new powertrain will also be more efficient, which will allow the cars to drive for a longer period of time.
