In an ever-changing insurance landscape, Del Toro is committed to providing its customers with top-notch policies at budget-friendly rates

MIAMI, FLORIDA, UNITED STATES,

[Del Toro Insurance](#) is pleased to announce that they are keeping up with the ever-evolving insurance market in Florida. The Florida Office of Insurance Regulation recently approved two new property insurers to provide insurance to residents.

Del Toro Insurance, a trusted broker serving southern Florida residents, will now offer insurance policies from Orion180 Select Insurance Company and Orion180 Insurance Company. Last year, the Florida Office of Insurance Regulation also approved Mainsail Insurance Company and Tailrow Insurance Company, vastly expanding the options available to Florida residents seeking property insurance. Numerous insurance companies have stopped offering services in Florida due to the high cost of insuring homes that may be damaged by hurricanes. By adding new [insurance providers](#), residents can expect competitive policy rates.

Del Toro Insurance works with homeowners to help them choose the ideal property insurance to meet their needs and budgets. The insurance industry is constantly evolving, and Del Toro believes their customers deserve the best policies at affordable rates. They aim to stay on top of the latest approved insurance companies to provide customers with the most accurate quotes.

Anyone interested in learning about the changes to the Florida insurance market can find out more by visiting the Del Toro Insurance website or calling 1-305-335-8676.
