

# SystemDomain, Inc Strengthens Cyber Security and Risk Management Portfolio with ThreatLocker Partnership

CHICAGO, ILLINOIS, UNITED STATES, February 2, 2024 /EINPresswire.com/ -- [SystemDomain](#), Inc, a global leader in information technology and consulting services, is pleased to announce its strategic partnership with [ThreatLocker](#), a renowned provider of Zero Trust Solutions. This collaboration marks a significant milestone in SystemDomain's commitment to delivering comprehensive cyber security solutions to its valued customers.

By joining forces with ThreatLocker, SystemDomain now offers a complete platform to secure servers and work stations, empowering clients with advanced features such as Application Allowlisting, Ringfencing™, Storage Control, Elevation Control, Endpoint Network Control, Configuration Management, and ThreatLocker Ops. This expanded product portfolio reinforces SystemDomain's position as a leading player in the Cyber Security business unit.

"We are thrilled to enhance our product offerings in Cyber Security through this strategic partnership," stated Anil Garg, CISO of SystemDomain, Inc. "With ThreatLocker's cutting-edge endpoint protection technologies, we can provide our clients with unparalleled security measures to safeguard their critical assets."

ThreatLocker, recognized for its expertise in endpoint protection, is equally excited about the collaboration. " This strategic alliance is poised to redefine cybersecurity standards, reinforcing global preparedness and safeguarding businesses on an international scale.

The collaboration between ThreatLocker and SystemDomain underscores a concerted effort to

address the evolving landscape of cyber threats. By joining forces, the two industry leaders aim to provide robust solutions that enhance cybersecurity readiness and deliver comprehensive protection to businesses worldwide. " said Shane Deegan Executive VP of Sales of at ThreatLocker. By leveraging SystemDomain's extensive client portfolio and exceptional IT professional services capability in Cyber Security and Risk Management, we can seamlessly integrate our portfolio of products across various industry segments."

SystemDomain's commitment to excellence has been acknowledged through numerous accolades, including:

- The Fast 100 Enterprise for 2023 by US Pan Asian American Chamber of Commerce
- Rank# 62 for 2023 by INC 5000 in Midwest Region as Fastest Growing Private Companies
