

# OZ MOVING & STORAGE ANNOUNCES MERGER WITH MOVAGE MOVING + STORAGE

*Oz Moving & Storage announced today its merger with Movage Moving + Storage . A 30-year industry leader, Oz is a leading NYC based moving and storage company.*

NEW YORK, NY, UNITED STATES,  
February 2, 2024 /EINPresswire.com/ --

[Oz Moving & Storage](#) ("Oz") today announced its merger with [Movage Moving + Storage](#) ("Movage"). A 30-year industry leader, Oz is the leading residential and commercial moving and storage company serving New York City, Westchester, New Jersey, Connecticut, and California. For 20 years, Movage has operated as a boutique moving company offering local, interstate and international moving, primarily to account clients.

Oz Moving and Storage NYC

This merger immediately enables Oz to grow its service to include all levels of [international shipping](#). With two large east coast storage facilities,

“

The merger allows us to expand the services we offer our clients. We can now perform INTERNATIONAL MOVES; receiving, transporting, and delivering shipments between the U.S. & anywhere in the world!”

*Nancy Zafrani, General  
Manager*

minutes from the busy port of Elizabeth, and full-service west coast operations near Los Angeles, the largest port in the U.S., Oz will now be able to receive, transport and deliver a range of shipments between the United States and anywhere in the world.

“Oz Moving & Storage has been exploring options that would allow us to offer international shipping to our growing client base; at the same time, Movage was looking for a path that would allow them to expand,” said Oz Moving & Storage president Eran Sobol. “This alliance allows for a wider range of services to be provided to both

companies’ clients, so it’s really a win-win-win situation for Oz, for Movage, and for the clients.”

“Small but mighty, Movage has built a first-class reputation for providing stellar service to our clientele,” added Movage Moving + Storage president Bajo Vujovic. “We are delighted to join and grow together with such a reputable company as Oz Moving & Storage.”

While Oz will emerge as the primary company, both firms’ employees and management structures will remain status quo.
