

Molekule Consulting Adds Strategic Spark with Appointment of Kallal Pramanik

MIAMI, FLORIDA, USA, February 1, 2024

/EINPresswire.com/ -- Today, Kallal Pramanik has been appointed the Associate Vice President of the India team at Molekule Consulting, a leading provider of healthcare-focused strategic consultancy services.

Kallal brings over 20 years of experience in healthcare consulting and research, having worked in India, Germany, and the USA. He carries a proven track record of success in driving both profit and efficiency for renowned multinational

pharmaceutical companies. Kallal's impressive qualifications include a PhD in Cancer Biology, an MSc in Biotechnology, and an MBA. He possesses a deep understanding of a diverse range of therapeutic areas, including Immunology, Oncology, Ophthalmology, Neurology, Cardiometabolic Disorders, and Rare Diseases.

"We are thrilled to welcome Kallal to the Molekule family," said David Alderman, Founder and CEO. "His extensive expertise and leadership acumen will be invaluable as we continue to expand our footprint globally and deliver exceptional value to our clients."

"I am excited to join Molekule Consulting at this pivotal time and to be part of such a dynamic team," said Pramanik. "I look forward to leveraging my experience and collaborating with Molekule's teams across the globe, to drive client success and contribute to the company's continued growth."
