M2MMA aims to elevate the sport of MMA to new heights of professionalism, excitement, and athlete well-being while also cultivating a community of martial artists who embody the values of discipline, respect, and personal growth, is pleased to announce the following updates with its M2MMA division:

M2MMA is thrilled to announce the signing of its first two athletes, Judy Humber and Marie Des Lys Heinz, for a prestigious World Muaythai Organization (WMO) World Title fight. This significant announcement marks the launch of M2MMA's promotional events, set to commence in Phuket, Thailand, during the Easter weekend of March 31st, 2024.

Judy Humber, hailing from Aberdeen, Scotland, is in peak condition and a formidable force in the ring. Judy holds the 9th spot in the official WMO rankings. Judy's impressive record has rightly secured her a shot at the title. Training at the renowned Sinbi Muay Thai gym in Phuket – the same venue where M2MMA's global promotions are set to begin – Judy has refined her skills under the tutelage of

world-class trainers. Her recent displays of skill and determination make her an opponent not to be trifled with.

Facing off against Judy is the esteemed Marie Des Lys Heinz. Marie, originally from Luxembourg, now trains out of the modern Pinsinchai Camp in Bangkok, Thailand - a facility known for developing high-caliber Muay Thai athletes. Marie is riding a wave of momentum after her last victory in December 2023 at the RWS Muay Thai circuit. Marie, currently ranked 4th in the official WMO rankings, is a stout contender for the M2MMA WMO Title Belt.

M2MMA CEO Victor Lange says, "We are thrilled to announce our first two M2MMA athletes being a WMO Title Fight, making it even better to kick things off. The whole team is excited to get going with the season. Stay tuned for more news on the M2MMA athletes in the coming weeks."

Jade Sirisompan, M2MMA COO, also expressed her enthusiasm by saying, "I've always enjoyed watching both Judy and Marie in the ring, and It's so gratifying to provide these great athletes our very own global platform to showcase their amazing talents. Starting in Phuket is a bonus. This is just the start of our journey in creating global superstars."

M2MMA 1 will follow the prestigious annual International and [Thai Martial Arts Games](#) from March 10th to 17th, keeping Phuket's martial arts energy high throughout the month. Also sanctioned by WMO, partners, fans, and practitioners worldwide will travel to attend this incredible event.
