About Dolce Italia

Dolce Italia originates from Ischia, an island in the Gulf of Napoli in Italy, and is owned by Matthew Sparks and Tiziana DiCostanzo. First established in 2010, Dolce Italia was more of a bakery and cafe at a small space on Superior Road in Gulf Gate. In the evenings, Tiziana started to make a few pasta dishes, which resulted in an overwhelmingly positive response. Dolce Italia Italian Restaurant was born, and soon, the restaurant developed a loyal underground following. Once people discovered the authentic Italian food and hospitality, the restaurant expanded and moved to a bigger space at 6551 Gateway Ave in 2015, where the newly decorated restaurant currently offers a warm family feeling and a large variety of award-winning, homemade Italian recipes.
