Recognizing Procurement Excellence: SelectHub's Awards Spotlight Top Vendors Based on Analyst Evaluations & User Reviews

SelectHub announces it's awards for top Procurement software vendors.

AUSTIN, TEXAS, UNITED STATES, February 2, 2024 /EINPresswire.com/ -- SelectHub, a leader in software research and selection, today announced the winners of their prestigious "Best Of" Awards for 2024 in the [procurement management software](#) category. These awards are part of SelectHub's commitment to identify and celebrate the top performers in various software domains. The awards recognize the top procurement software solutions across 15 categories based on analyst ratings and user reviews.

"We congratulate all of the winners on being recognized as the elite procurement solutions of 2024," said Marcus Flemming, VP of Marketing at SelectHub. "With their innovative features and robust capabilities, these products enable procurement leaders to maximize value for their organizations."

SelectHub evaluated 169 vendors across 15 categories of capabilities.

The Analysts' Pick award recognizes the top-tier software vendors in the industry that receive an analyst rating of 80 or greater in SelectHub's technology selection platform.

The User Favorite award honors the top 20 products that receive "Excellent" user sentiment scores, based on aggregated review data from real users.

Best-in-class awards were also handed out in the following categories: Budget Management, Contract Management, Dashboard and Reporting, Invoice Management, Product Catalog, Purchase Orders Management, Receiving and Inventory Management.
