

Ivy Healthcare Group Fills the Month of February With Celebrations, Community Events, and More

UNITED STATES, February 1, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- Ivy Healthcare Group has been focused on revitalizing their centers and adding to their already robust programs. This change stems from one of their core values which is communication. By listening to their residents' wants and needs Ivy Healthcare Group has taken it upon themselves to ensure that each resident has multiple opportunities to express and educate themselves, and celebrate however big or small an occasion.

"The community that Ivy Healthcare Group has created at each of our centers is something we are very proud of. Having a variety of events for our residents to look forward to and participate in is all a part of our mission to not only take care of our resident's physical needs but their emotional and mental needs as well by providing them with a strong, vibrant, and fulfilling community of peers" says IHG President Ryan Coane

"We would like to extend an invitation to you and your team to come and see for yourself the warmth that is an IHG center. In order to keep track of the many exciting events that IHG is hosting throughout their facilities during the month of February, we are releasing an event calendar for your convenience.
