Scionny Celebrates Remarkable Growth in 2023 and Launches Innovative AI Assistant Feature in 2024

LONDON, CITY OF LONDON, UNITED KINGDOM, February 5, 2024

/EINPresswire.com/ -- SCIONNY®, the first of its kind "[idea-commercialisation](#)" tech solutions

company, is thrilled to announce unprecedented achievements in 2023 and an exciting start to 2024. The company's dedication to support innovators worldwide has resulted in significant achievements.

Explosive 900% Surge in Users, Now in Over 70 Countries: In the past year alone, Scionny has experienced an extraordinary 900% year-over-year increase in users, expanding its global presence to more than 70 countries. This surge underscores Scionny's role as a thriving hub for innovators and entrepreneurs worldwide.

“

As we continue to attract talented individuals, expand our international presence, and foster inclusivity, we are committed to shaping the future of innovation on a global scale.”

Georg Roth, Founder and Director of Scionny Ltd.

Strategic Global Collaborations: Scionny solidified a strategic collaboration with IP Radio in Lagos, Nigeria, propelling the nation to the top rank of Scionny's user base on the African continent. Ongoing discussions with potential partners globally reinforce Scionny's commitment to forming impactful alliances.

Introduction of [Entrepreneurial University](#): In a move to empower entrepreneurship and innovation, Scionny recently introduced its Entrepreneurial University. This transformative solution provides a dynamic platform for fostering creativity and progress. It enables universities

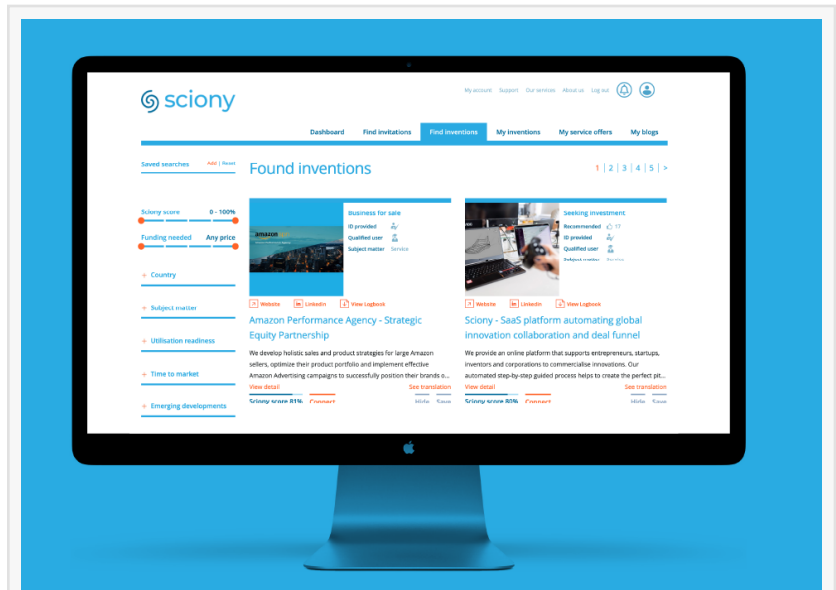

and higher education institutes to foster entrepreneurship and straightforward spinoff development.

Pioneering into 2024: As Sciony strides into 2024, the company is excited to introduce its groundbreaking Sciony AI Assistant. This conversational assistant enables users to interactively learn about the various aspects of entrepreneurship, distilling global knowledge in business, innovation, IP commercialisation, and more. This addition of AI-supported knowledge base complements the already existing and constantly expanding global network of qualified and trusted mentors and experts. It reaffirms Sciony's commitment to providing comprehensive support to its member community.

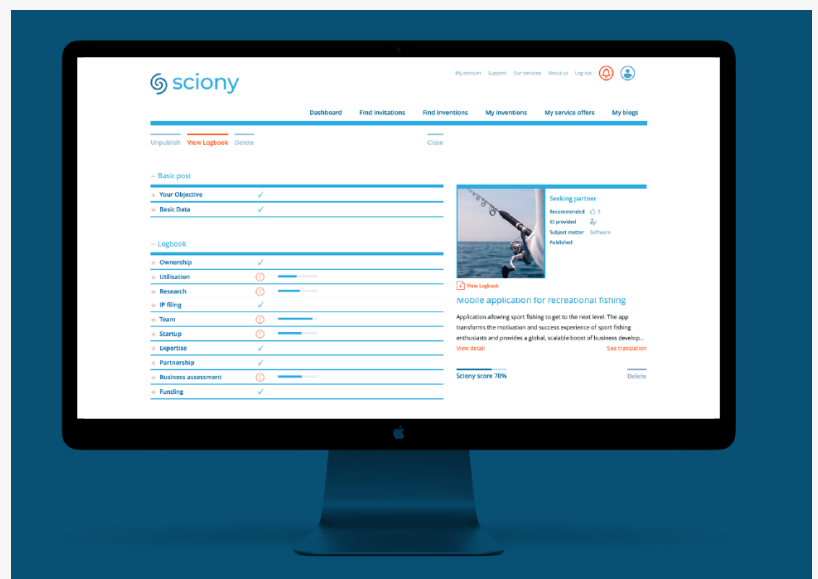

"We are immensely proud of the strides Sciony has made in 2023, marked by our expansive user growth, strategic collaborations, and the introduction of the Entrepreneurial University. As we kick off 2024, the launch of our AI Assistant reflects our ongoing commitment to empowering entrepreneurs globally, providing them with the tools and knowledge they need for success.", says Georg Roth, Founder and Director of Sciony.
