Dr. Iris Wright's "Injustice Injustice Volume II: Empowered By Dr. Iris Wright" Creating A Massive National Buzz

NEWPORT NEWS, VA, USA, February 2, 2024 /EINPresswire.com/ -- NEWPORT NEWS, Virginia — During an exclusive interview with nationally-acclaimed Making Headline News, accomplished Virginia Visionary Author Dr. Iris Wright assessed the fervent buzz surrounding Injustice Injustice Volume II: Empowered By Dr. Iris Wright, her highly-anticipated anthology that figures to emerge as an Amazon No. 1 bestseller prior its March 8 release.

"I choose to produce the book and our movement to help people heal and evolve from injustice," Dr. Wright told MHN.

The second edition of Injustice Volume comes a little less than one year after Dr. Wright's debut volume of her collaborative book project.

An anthology that is comprised of six co-authors, the legwork for Dr. Wright's Injustice Volume II began in August, a book that is scheduled to be officially completed in the coming weeks.
