SPRINGFIELD, ILLINOIS, UNITED STATES, February 2, 2024

/EINPresswire.com/ -- [Kanoski Bresney](#) is pleased to offer its [Stand Up to Distracted Driving Scholarship](#) for the Fall 2024 semester. This scholarship, which awards five students \$1,000 each, runs each semester and is now accepting applications for Fall 2024.

Kanoski Bresney understands the financial strain pursuing a higher education can inflict on a college student, which is why we are thrilled to assist five students in paying for costs related to their college education.

Since the scholarship's inception in 2021, Kanoski Bresney has awarded a total of \$30,000 to 30 students pursuing a higher education. The Stand Up to Distracted Driving Scholarship was created to highlight an issue that has become disturbingly prevalent in our society: distracted driving. We see clients from all walks of life who have suffered grave injuries or have even lost a loved one in a tragic [distracted driving accident](#). As a law firm that takes pride in providing high-quality legal guidance to injured individuals, we hope this scholarship inspires students to drive safely and keep themselves and others free from harm while out on the road.

Applications for the Stand Up to Distracted Driving Scholarship will be due by May 29, 2024, with the winner announced on July 1, 2024. Applicants have been asked to respond to the following prompt, "How has distracted driving affected your life? What ideas do you have to raise awareness of the dangers of distracted driving and prevent this behavior among young drivers?" in an essay of 1,000 words.
