

Celebrating Excellence in Audio: Universal Audio Congratulates 2024 GRAMMY® Nominees in Music Production

SCOTTS VALLEY, CALIFORNIA, USA, February 2, 2024 /EINPresswire.com/ -- In celebration of the 66th GRAMMY Awards®, [Universal Audio](#) (UA) extends its heartfelt congratulations to all the nominees, showcasing an extraordinary spectrum of talent. This year, UA-powered artists and music production professionals are nominated across GRAMMY® Categories.

Producer of the Year, Non-Classical nominee Jack Antonoff (Taylor Swift, Lana Del Rey) states, "Universal Audio's tools have truly played an integral role in shaping the unique sonic landscape of my albums."

Universal Audio is committed to thrilling and inspiring music makers worldwide with timeless sound and impeccable craftsmanship. UA's industry-leading [Apollo audio interfaces](#), LUNA recording suite, and industry-standard [UAD plugins](#) have become the go-to choice for professionals who demand excellence in their craft.

Universal Audio's success is marked by both a posthumous Technical GRAMMY® Award in 2000 for the company's founder, Bill Putnam Sr., and a 2009 GRAMMY® Award for contributions to music production technology. These accolades have established UA as a multi-decade leader in

the audio technology consistently delivering the highest caliber of sound.

Universal Audio CEO Bill Putnam Jr. states, “It's incredible to see our tools in the hands of so

many artists, engineers, and producers, especially when their work gets recognized at top-tier events like the GRAMMY Awards®. We're honored to be part of so many creative journeys and congratulate all of the outstanding nominees this year."

The 66th GRAMMY Awards® will take place at Los Angeles' Crypto.com Arena on Sunday, Feb. 4, 2024. The ceremony will broadcast live on the CBS Television Network and stream live and on-demand on Paramount+ from 8-11:30 p.m. ET/5-8:30 p.m. PT.

Universal Audio extends enthusiastic congratulations to all the nominees whose dedication to excellence has resulted in these remarkable nominations.

As the 66th GRAMMY Awards® approach, Universal Audio celebrates the exceptionally talented individuals who have earned well-deserved nominations. Congratulations are extended to all the nominees for their remarkable achievements, and Universal Audio looks forward to the awards ceremony, where the music industry's finest will be honored on this prestigious stage.
