

Signals To Host RevTech Summit Spring 2024, a Virtual B2B Leadership Event with Top Industry Leaders

Signals is hosting a FREE one-day virtual RevTech Summit with 30+ experts. Perfect for marketing & sales pros in a fast-changing landscape.

SILICON SLOPES, UT, UNITED STATES, February 2, 2024 /EINPresswire.com/ -- [Signals](#), the leading AI marketing tool, announced the highly anticipated, free, virtual RevTech Summit, taking place on February 21st, 2024, at 9 a.m. PST. The speakers include some of the most prominent experts in the industry with valuable insights and experience. The Summit will kick off with the anticipated Keynote session given by Henry Shuck, CEO of ZoomInfo, and hosted by David Elkington, Founder of InsideSales and Co-Founder of Silicon Slopes.

“

We are thrilled to be hosting the 4th annual RevTech summit, where we will be joined by 30+ industry leaders who will share invaluable insights and strategies for Sales and Marketing B2B Leaders.”

Billy Bateman, Co-Founder of Signals

Attendees of the Summit will have access to live and pre-recorded sessions during the event and on-demand covering topics including leveraging AI in the B2B industry, tactics to maximize revenue, discussions on the latest

trends, and advancements in technology.
