

Decorated Combat Veteran Geoffrey Grammer, Democrat for U.S. Congress in Maryland's 6th, Statement on Military Strikes

GAITHERSBURG, MARYLAND, U.S.A., February 3, 2024 /EINPresswire.com/ -- Maryland 6th congressional district Democratic candidate, [Geoffrey Grammer, a decorated combat U.S. Army Colonel \(Ret.\)](#) issued the following statement regarding the U.S. retaliatory strikes to the drone attack by an Iran-backed militia on an American base that killed three service members:

“Thank you to the pilots and ground crews that made yesterday's mission possible. I am in agreement with President Biden's definitive and appropriately proportional response to the attacks on U.S. troops from Iranian proxy groups. It is my hope that Congress will put politics aside and support the President on this critical mission. As President Biden said, ‘Let all those who might seek to do us harm know this: If you harm an American, we will respond.’ As Americans, we must be united in supporting our men and women in the military.”

Geoffrey Grammer is a physician and psychiatrist who completed three deployments: twice to Iraq and once to Afghanistan, leading mental health professionals into remote combat areas to care for soldiers. He was awarded the Bronze Star Medal and the Combat Action Badge for direct combat engagement.
