ABOUT NATCHEZ YOUTH SPORTS and CORE VALUES

Natchez Youth Sports is part of the Natchez Parks and Recreation Department. Our mission is to empower young individuals through sports, nurturing personal growth and fostering a sense of community. Through teamwork, sportsmanship, and skill development, we aim to cultivate resilient athletes who thrive both on and off the field.

The Learning Environment:

We are dedicated to creating a comprehensive learning environment where all participants can develop their skills: players learn to play, coaches learn to coach, officials learn to officiate, and parents learn to display good sportsmanship.

The Playing Experience:

We strive to provide all participants with the chance to learn the fundamental skills of youth sports. We strongly encourage our coaches to adhere to the National Alliance for Youth Sports (NAYS) standard of ensuring that each young athlete receives at least 50% playing time. To uphold this standard, every player will have the opportunity to bat in the lineup and coaches are welcome to make free substitutions.

The 24 Hour Rule:

At Natchez Youth Sports, we are committed to providing a safe, enjoyable, and educational
