

10ZiG Technology Drills Further into Federal Market w/ New Highly Secured TAA Compliant Mobile Thin & Zero Client Laptop

10ZiG, a leading hardware/software provider for DaaS/SaaS/VDI/WebApps drills even further into the Federal market with new, highly secured TAA Compliant Laptop.

PHOENIX, ARIZONA, UNITED STATES, February 12, 2024 /EINPresswire.com/ -- New TAA Compliant Mobile Zero (and Thin) Client Laptop Series fully completes the TAA Compliant line of endpoint hardware devices designed by 10ZiG. Soon to be revealing its newly enhanced features on tradeshow floors, 10ZiG's highly secure 7500qTAA Mobile Thin & Zero Client Series strictly complies with the DOD & DOE Federal space and more, with no wireless, no bluetooth, and new TAA Compliance qualification, and is available now on www.10ZiG.com.

10ZiG, a leading hardware and software provider for DaaS, SaaS, VDI, and WebApps, drills even further into the Federal market with new highly secured TAA Compliant Laptop.

Built for VDI and DaaS on-the-move, the 10ZiG 7500qTAA Series is a mobile, TAA Compliant, Thin & Zero Client laptop endpoint with anti-glare display, full-size keyboard and numeric pad, USB-C DisplayPort (DP Alt Mode), high-definition audio with built-in mic and two speakers, and an HD video camera. The 7500qTAA is a key device strategy for today's audio and video communications demands with remote or hybrid work setups in the Federal industry and others reliant on security, flexibility, and management.

Ben Burris, Director of 10ZiG Federal Sales, "We've had an ongoing surge in Federal customers, existing and new, turning to 10ZiG for their DOD and DOE needs, and more, so the wired mobile device with no Wifi and no Bluetooth, and TAA compliance status only strengthens the appeal and need for our laptop endpoint."

The new Series is Supportive of VMware, Citrix, Microsoft, Amazon WorkSpaces, HP, Dizzion

Frame, Parallels, Liquidware, Controlup, MS Teams, Zoom, Cisco Webex, 90Meter, etc., and is also Forcepoint Certified. Equipped with FREE centralized management via the 10ZiG Manager™ with unlimited user licenses and Secure Connector, covered by an Annual Warranty, Pre-and-Post Sales Support, Technical Hardware & Software Support all in one, and Firmware Upgrades – it's all part of 10ZiG's offering that earns our "one-stop desktop shop" status.

7500qTAA Mobile Thin & Zero Client Laptop Series Feature Set:
