

HIP Video Promo Presents: Ron Brunk premieres brand new music video "Be Somebody" on Music-News.com

Ron Brunk releases his brand new reimagined single "Be Somebody"

SHEPHERDSTOWN, WEST VIRGINIA, UNITED STATES, February 5, 2024 /EINPresswire.com/ -- No one has ever lived it, breathed it, sweat it, and bled it quite like Ron Brunk. A lifer, a keen social observer, jokester, and impresario, his stories are ours. His musical journey has been one of legends, but in every incarnation, he leads with smart, deep commentary and thoughtful ruminations for a human family experiencing psychological turmoil. The songs get stuck in fans heads, whether it's an upbeat anthem of strength and inspiration like "Be Somebody", or the dark, all too real look at modern America like "Nothing". Ron is always on call to deliver the goods, pure and unadulterated, and he always does it in his own, inimitable way.

Everyone embraces a song of hope; and if it's one like the full-on, adrenaline-charged, urgent punk rock anthem "Be Somebody", listeners get both hope and change! It's a track that espouses the importance of perseverance and never giving way to fear. It's a much-needed B-12 shot in a worrisome world. Anyone reading this would benefit by listening to "Be Somebody" as part of their daily supplement routine. It's an earworm, a boisterous nudge, a declaration of independence, all wrapped up in a three-minute call to action. It's a prescription people can't get from a doctor. "Nobody said it was gonna be easy... this road sometimes, it ain't so smooth, that's when ya gotta really find your groove". Being somebody is not always easy, but in the Gospel According to Ron, fans must continue to strive for greatness and Be the Somebody that no one else can be.
