Featured Speakers Include:

Kristen Christy, America's Resilience Speaker, Coach, Author, and Military Spouse, is a sought-after international speaker, author, and resilience expert. Through her lived experience with a stroke at 15, the loss of her first husband to suicide after a deployment, her sons' attempts, and the disappearance of her oldest son, she has dedicated her life to empowering individuals, teams, and organizations to thrive in the face of adversity. As the co-creator of the 9-8-8 Suicide & Crisis Lifeline, Kristen is a passionate advocate for mental health awareness and suicide prevention.

With her extensive background in organizational development, leadership, and psychology, as well as her own personal experiences overcoming adversity, Kristen is uniquely positioned to inspire and motivate audiences to build resilience, enhance well-being, and create a more positive and fulfilling life. Because there is power in today, there is HOPE for tomorrow.

Dr. Mark Richards served for years as a physician consultant to the White House and in leadership positions in medical and surgical societies. This Yale-educated scientist noticed that something unexplained, yet treatable, was taking a heavy toll on human health and relationships. His search for answers led to a shocking discovery he details in his book. Nobody Wants You Healthy: Achieving Better Health by Avoiding the Corruptions in Modern Medical Science. Go to www.NobodyWantsYouHealthy.com for more information.

Cheryl Chumley is an online opinion editor, commentary writer, and host of the "Bold and Blunt" podcast for The Washington Times and a frequent media guest and public speaker. She is the author of several books, the latest titled, "Lockdown: The Socialist Plan To Take Away Your Freedom," and "Socialists Don't Sleep: Christians Must Rise or America Will Fall."
